110TH CONGRESS
2D SESSION

H. RES. 1433

[Report No. 110–853]

Providing for consideration of the bill (H.R. 6899) to advance the national security interests of the United States by reducing its dependency on oil through renewable and clean, alternative fuel technologies while building a bridge to the future through expanded access to Federal oil and natural gas resources, revising the relationship between the oil and gas industry and the consumers who own those resources and deserve a fair return from the development of publicly owned oil and gas, ending tax subsidies for large oil and gas companies, and facilitating energy efficiencies in the building, housing, and transportation sectors, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 15, 2008

Ms. SLAUGHTER, from the Committee on Rules, reported the following resolution; which was referred to the House Calendar and ordered to be printed

RESOLUTION

Providing for consideration of the bill (H.R. 6899) to advance the national security interests of the United States by reducing its dependency on oil through renewable and clean, alternative fuel technologies while building a bridge to the future through expanded access to Federal oil and natural gas resources, revising the relationship between the oil and gas industry and the consumers

who own those resources and deserve a fair return from the development of publicly owned oil and gas, ending tax subsidies for large oil and gas companies, and facilitating energy efficiencies in the building, housing, and transportation sectors, and for other purposes.

1 *Resolved*, That upon the adoption of this resolution
2 it shall be in order to consider in the House the bill (H.R.
